Dear Sarah-Jane,

I hope this message finds you doing well. Today is Teacher Appreciation Day in the US. Attached is an email we sent as a group to the US Registered Teachers. I am reaching out to you personally, however, to congratulate you on the amazing job you are doing with your examination program. Your studio topped the number of exam entries in the US this year and I want you to know how impressive your numbers are.

We appreciate your dedication and hard work immensely and to show our appreciation, a little gift is on the way.

With best wishes,
Patti
