Sunday June 11th 11am, 1pm, 3pm

at the Menlo-Atherton Center for the Performing Arts, 555 Middlefield Rd, Atherton

The shows have no intermission and are approximately each one hour in length.

■ **RECITAL**

All students should be backstage in the dressing room with the parent in charge of the group 30 minutes before the start of the show. Do not wear your costumes to the theatre, please change in your assigned dressing room. After leaving your child backstage, please return to the theatre to enjoy the show. Their teacher will meet them backstage with the chaperone and escort the children on and off the stage. The chaperone will stay with the children and watch them perform in the wings. After their dance, the parent in charge will escort them to the dressing rooms for parent pick up. Please pick up your child when they are done dancing, not at the end of the show. After you have picked up your child, take them back into the theatre so that they may enjoy the other dances. Dancers will need a ticket to sit in the theatre. Students in more than one number stay backstage to prepare for their next dance. They will need their parent with them backstage at this time; the parent will take them to the next group parent. A mother in charge of a group is not responsible to deliver a student to their next dance.
